**Subject:** Verification of donation received

Dear President,  
Dear Members,

We wish to thank most sincerely all the members of Vereinigung der Deutsch-Girechischen Gesellschaften for your new donation, which we have received as the new supporting action from you.

It's people such as you that make the difference for those children in need and especially because your help and support have been endless and overwhelming and could never be measured with words.

Your support to our work gives another dimension to the meaning of "giving", to the meaning of "solidarity" and strongly proves that "we are one Family". We feel blessed for your presence, we feel blessed for the support of all the members of VDGG e.V.

We have received the amount of 1,856.12 euro in our account in the National Bank of Greece for 2019 which we have used for the benefit of the children being under the protection of SOS Children's Villages Greece and living in the SOS Children's Villages Vari-Athens, Plagiari-Thessaloniki, Thrace-Alexandroupolis and Crete-Heraklion.

We would like to honestly thank you for your ongoing strong efforts, love, care and kind thoughts for the SOS Children's Villages and the children in our care and we send you our best wishes for a Happy and Prosperous 2020.

Herewith enclosed please find the donation receipt.

Yours very truly  
For SOS Children's Villages Greece
